

Riverbend Malt House, a leader in the craft malting industry, is looking to hire a hardworking and dedicated individual as an Assistant Maltster as we continue to grow. We are an Equal Opportunity Employer.

Duties and Responsibilities:

1. Malt production activities

- Filling steep tanks and monitoring and programming of steep cycles
- Monitoring and controlling germination, focused primarily on floor-malting, with some work to be done on the pneumatic line

2. Packaging and warehouse operations

- Operate packaging line
- Prepare orders for shipment
- Maintain cleanliness and organization of Riverbend's facility. We pride ourselves on having an exceptionally clean facility.

Position Requirements:

-Must be available for 8am-6pm shifts. Starting schedule will be Wed-Sat or Sun-Wed.

- Must be at least 21 years of age
- Must have a valid driver's license
- Strong observational skills and attention to detail. Making great malt requires thinking and awareness.
- Ability and desire to learn quickly on the job. Ask questions and offer input often. If you have a good idea, we want to use it.
- Full-time position. Weekend availability required. Flexibility to handle the occasional evening and off-day work expected when production schedule dictates.
- Must be prepared to spend much of the day standing and moving, and must be able to repeatedly perform heavy lifting (50-pound grain bags.)
- Demonstrated commitment to quality. Riverbend makes - and its customers expect! - very high-quality product.
- Team player with a positive attitude.
- Mechanical aptitude preferred
- An interest in craft beer/craft distilling is a plus.
- A sense of humor - we like to have fun.

Benefits and compensation:

- Starting pay: \$15/hr
- Includes health care insurance
- Includes paid holidays, vacation and paid time off

*Please submit a resume **with a cover letter describing why you are interested** to be considered for this position. Submissions should be made to sam@riverbendmalt.com.*
